

Grasshoppers Netball Club Chair

Grasshoppers Netball Club is a well-established local Grassroots Netball Club, having been in existence since 1973.

We currently have 4 teams playing in Birmingham & Walsall Winter Leagues, along with Dudley & South Staffs Summer Leagues. We have players ranging in age from 14 – 63!!

After many years of service our current Chair (still an active player) is standing down, with effect from our AGM (planned for November 2024).

We have an otherwise full Committee with a ViceChair, Treasurer, Membership Secretary, League & Minutes Secretary, Communications & Publicity Officer, Resources Officer, Publicity & Website Design Officer, Fundraising & Social Secretary, & Safeguarding Officer. The majority of people in these posts have been on the Committee for many years.

Separate to this we have an active Coaching & Development Committee, which reports to the full Committee.

All Committee members are volunteers – there is no pay, just the pleasure of seeing a Club running to the best of its abilities for the benefit of its members/players!

Due to current limitations, we are looking to fill the Chair vacancy externally.

Ideally, but not exclusively, we would like to appoint someone – doesn't have to be a woman! - with a keen interest in the sport we love.

Are you:

- A strong leader who can be objective;
- Confident and a good communicator; able to represent the club at external meetings;
- Able to ensure meetings run smoothly and efficiently;
- Easy to approach with good listening skills;
- Well organised and happy to delegate;
- Enthusiastic and motivating?

If so, this may be the opportunity you've been looking for!

We meet around 6 times a year, for a couple of hours at a time, usually in the evening (& often in the pub!), with an AGM involving all members, usually held at our training venue on a Tuesday evening, lasting no more than an hour.

We also 'chat' in between times by Email & WhatsApp.
